Guided reading questions might focus on (1.) the kinds of animals that live on Kapiti Plain; (2.) which animals are wild and which kind is domesticated (the cattle); (3.) why Ki-pat feels such concern for the cattle (He and his people depend upon cattle for milk, meat, leather, and so forth; Ki-pat's job is to care for the cattle; being domesticated, the cattle won't wander away in search of water as the wild animals do); (4.) how the plain changes after the rains come.
